

## Certificate of Analysis

**Castor Oil,****Product No.: NKC0596**

| Product Information |                   |
|---------------------|-------------------|
| Cas No.:            | 8001-79-4.        |
| Molecular Formula:  | NA.               |
| Molecular Weight:   | NA.               |
| Storage:            | Room Temperature. |
| MFG Date:           | Nov-2025.         |
| EXP Date:           | Oct-2030.         |
| Batch No.:          | NKQF2507184.      |

| Test                         | Specification                | Result    |
|------------------------------|------------------------------|-----------|
| Appearance.                  | Light Yellow Viscous Liquid. | Complies. |
| Viscosity (20°C).            | 950 - 1050 mpas.             | 980 mpas. |
| Saponification value.        | Min 160.                     | 161.      |
| Maximum limits of impurities |                              |           |
| Iodine value.                | 82-88.                       | 85.       |
| Acid value.                  | 1.                           | 0.3.      |
| Unsapnonifiable.             | 1%.                          | 0.4 %.    |

- The product complies with the prescribed standards of quality
- The product has been tested by the Quality Control Laboratory of N K Chem to the above specifications
- This is Electronic Generated Specification do not require signature
